## About Berger & Montague

Berger & Montague is a full-spectrum class action and complex civil litigation firm, with nationally known attorneys highly sought after for their legal skills. The firm has been recognized by courts throughout the country for its ability and experience in handling major complex litigation, particularly in the fields of antitrust, securities, mass torts, civil and human rights, whistleblower cases, employment, and consumer litigation. In numerous precedent-setting cases, the firm has played a principal or lead role.

The *National Law Journal*, which recognizes a select group of law firms each year that have done “exemplary, cutting-edge work on the plaintiffs side,” has selected Berger & Montague in 11 out of the last thirteen years (2003-05, 2007-13, 2015) for its “Hot List” of top plaintiffs’ oriented litigation firms in the United States. The firm has also achieved the highest possible rating by its peers and opponents as reported in *Martindale-Hubbell*.

Currently, the firm consists of 56 lawyers; 18 paralegals; and an experienced support staff. Few firms in the United States have our breadth of practice and match our successful track record in such a broad array of complex litigation.

## History of the Firm

Berger & Montague was founded in 1970 by the late David Berger to concentrate on the representation of plaintiffs in a series of antitrust class actions. David Berger helped pioneer the use of class actions in antitrust litigation and was instrumental in extending the use of the class action procedure to other litigation areas, including securities, employment discrimination, civil and human rights, and mass torts. The firm’s complement of nationally recognized lawyers has represented both plaintiffs and defendants in these and other areas, and has recovered billions of dollars for its clients. In complex litigation, particularly in areas of class action litigation, Berger & Montague has established new law and forged the path for recovery.

The firm has been involved in a series of notable cases, some of them among the most important in the last 40 years of civil litigation. For example, the firm was one of the principal counsel for plaintiffs in the *Drexel Burnham Lambert/Michael Milken* securities and bankruptcy litigation. Claimants in these cases recovered approximately \$2 billion in the aftermath of the collapse of the junk bond market and the bankruptcy of *Drexel* in the late 1980’s. The firm was also among the principal trial counsel in the *Exxon Valdez Oil Spill* litigation in Anchorage, Alaska, a trial resulting in a record jury award of \$5 billion against Exxon, later reduced by the U.S. Supreme Court to \$507.5 million. Berger & Montague was lead

counsel in the *School Asbestos Litigation*, in which a national class of secondary and elementary schools recovered in excess of \$300 million to defray the costs of asbestos abatement. The case was the first mass tort property damage class action certified on a national basis. Berger & Montague was also lead/liaison counsel in the *Three Mile Island Litigation* arising out of a serious nuclear incident.

Additionally, in the human rights area, the firm, through its membership on the executive committee in the *Holocaust Victim Assets Litigation*, helped to achieve a \$1.25 billion settlement with the largest Swiss banks on behalf of victims of Nazi aggression whose deposits were not returned after the Second World War. The firm also played an instrumental role in bringing about a \$4.37 billion settlement with German industry and government for the use of slave and forced labor during the Holocaust.

## Practice Areas and Case Profiles

### Antitrust

In antitrust litigation, the firm has served as lead, co-lead or co-trial counsel on many of the most significant civil antitrust cases over the last 40 years, including *In re Corrugated Container Antitrust Litigation* (recovery in excess of \$366 million), the *Infant Formula* case (recovery of \$125 million), the *Brand Name Prescription Drug* price fixing case (settlement of more than \$700 million), the *State of Connecticut Tobacco Litigation* (settlement of \$3.6 billion), the *Graphite Electrodes Antitrust Litigation* (settlement of more than \$134 million), and the *High-Fructose Corn Syrup Litigation* (\$531 million). Most recently, the firm is one of three co-lead counsel *In re Payment Cards Antitrust Litigation*, which has resulted in the highest private class action settlement in U.S. history of \$7.2B ((reduced to \$5.7 billion after opt outs)). The firm has also played a leading role in cases in the pharmaceutical arena, especially in cases involving the delayed entry of generic or other rival drug competition, having achieved over \$1 billion in settlements in such cases over the past decade.

The *Legal 500*, a guide to worldwide legal services providers, ranked Berger & Montague as a Top-Tier Firm for Antitrust: Civil Litigation and Class Actions in the United States in its 2015 guide and has repeatedly cited Berger & Montague's antitrust practice as "stand[ing] out by virtue of its first-class trial skills."

For five straight years, Berger & Montague has been selected by *Chambers and Partners' USA's* America's Leading Lawyers for Business as one of Pennsylvania's top antitrust firms.

- ***In re Currency Conversion Fee Antitrust Litigation:*** Berger & Montague, as one of two co-lead counsel, spearheaded a class action lawsuit alleging that the major credit cards had conspired to fix prices for foreign currency conversion fees imposed on credit card transactions. After eight years of litigation, a settlement of \$336 million was approved in October, 2009, with a Final Judgment entered in November, 2009. Following the resolution of eleven appeals, the District Court, on October 5, 2011, directed distribution of the settlement funds to more than 10 million timely filed claimants, among the largest class of claimants in an antitrust consumer class action. (MDL No. 1409 (S.D.N.Y)).
- ***In re Marchbanks Truck Service Inc., et al. v. Comdata Network, Inc.:*** Berger & Montague was co-lead counsel in this antitrust class action brought on behalf of a class of thousands of Independent Truck Stops. The lawsuit alleged that defendant Comdata Network, Inc. had monopolized the market for specialized Fleet Cards used by long haul truckers. Comdata imposed anticompetitive provisions in its agreements with

Independent Truck Stops that artificially inflated the fees Independents paid when accepting the Comdata's Fleet Card for payment. These contractual provisions, commonly referred to as anti-steering provisions or merchant restraints, barred Independents from taking various competitive steps that could have been used to steer fleets to rival payment cards. The settlement for \$130 million and valuable prospective relief was preliminary approved on March 17, 2014, and finally approved on July 14, 2014. In its July 14, 2014 order approving Class Counsel's fee request, entered contemporaneously with its order finally approving the settlement, the Court described this outcome as "substantial, both in absolute terms, and when assessed in light of the risks of establishing liability and damages in this case."

- ***Ross, et al. v. Bank of America (USA) N.A., et al.***: Berger & Montague, as lead counsel for the cardholder classes, obtained final approval of settlements reached with Chase, Bank of America, Capital One and HSBC, on claims that the defendant banks unlawfully acted in concert to require cardholders to arbitrate disputes, including debt collections, and to preclude cardholders from participating in any class actions. The case was brought for injunctive relief only. The settlements remove arbitration clauses nationwide for 3.5 years from the so-called "cardholder agreements" for over 100 million credit card holders. This victory for consumers and small businesses came after nearly five years of hard-fought litigation, including obtaining a decision by the Court of Appeals reversing the order dismissing the case, and will aid consumers and small businesses in their ability to resist unfair and abusive credit card practices. A proposed settlement has been reached with the non-bank defendant arbitration provider (NAF), and, after defeating summary judgment, Berger & Montague is preparing the case for trial against the remaining two bank defendants.
- ***In re High Fructose Corn Syrup Antitrust Litigation***: Berger & Montague was one of three co-lead counsel in this nationwide class action alleging a conspiracy to allocate volumes and customers and to price-fix among five producers of high fructose corn syrup. After nine years of litigation, including four appeals, the case was settled on the eve of trial for \$531 million. (MDL No. 1087, Master File No. 95-1477 (C.D. Ill.)).
- ***In re Linerboard Antitrust Litigation***: Berger & Montague was one of a small group of court-appointed executive committee members who led this nationwide class action against producers of linerboard. The complaint alleged that the defendants conspired to reduce production of linerboard in order to increase the price of linerboard and corrugated boxes made therefrom. At the close of discovery, the case was settled for more than \$200 million. (98 Civ. 5055 and 99-1341 (E.D. Pa.)).
- ***Johnson, et al. v. AzHHA, et al.***: Berger & Montague is co-lead counsel in this litigation on behalf of a class of temporary nursing personnel, against the Arizona Hospital and Healthcare Association, and its member hospitals, for agreeing and conspiring to fix the rates and wages for temporary nursing personnel, causing class members to be underpaid. The court approved a nearly \$22.5 million settlement on behalf of this class of nurses. (Case No. 07-1292 (D. Ariz.)).

To fund these structured settlements, the Hartford property and casualty insurers purchased annuities from their affiliate, Hartford Life. By purchasing the annuity from Hartford Life, The Hartford companies allegedly were able to retain up to 15% of the structured amount of the settlement in the form of undisclosed costs, commissions and profit - all of which was concealed from the settling claimants. The court certified a trial class seeking monetary damages, alleging that the failure to offer these optional levels of coverage, and the failure to provide increased first party benefits to personal injury claimants, breached Nationwide's insurance policies and its duty of good faith and fair dealing, and violated the West Virginia Unfair Trade Practices Act. On June 25, 2009, the court issued final approval of a settlement that provided a minimum estimated value of \$75 million to Nationwide auto policyholders and their passengers who were injured in an accident or who suffered property damage.

### Antitrust

From **Judge Madeline Cox Arleo** of the U.S. District Court for the District of New Jersey praising the efforts of all counsel:

I just want to thank you for an outstanding presentation. I don't say that lightly . . . it's not lost on me at all when lawyers come very, very prepared. And really, your clients should be very proud to have such fine lawyering. I don't see lawyering like this every day in the federal courts, and I am very grateful. And I appreciate the time and the effort you put in, not only to the merits, but the respect you've shown for each other, the respect you've shown for the Court, the staff, and the time constraints. And as I tell my law clerks all the time, good lawyers don't fight, good lawyers advocate. And I really appreciate that more than I can express.

Transcript of the September 9 to 11, 2015 Daubert Hearing in *Castro v. Sanofi Pasteur*, No. 11-cv-07178 (D.N.J.) at 658:14-659:4.

---

From **Judge William H. Pauley, III**, of the U.S. District Court of the Southern District of New York:

"Class Counsel did their work on their own with enormous attention to detail and unflagging devotion to the cause. Many of the issues in this litigation . . . were unique and issues of first impression."

\* \* \*

"Class Counsel provided extraordinarily high-quality representation. This case raised a number of unique and complex legal issues .... The law firms of Berger & Montague and Coughlin Stoia were indefatigable. They represented the Class with a high degree of professionalism, and vigorously litigated every issue against some of the ablest lawyers in the antitrust defense bar."

*In re Currency Conversion Fee Antitrust Litigation*, 263 F.R.D. 110, 129 (2009).

---

From **Judge Faith S. Hochberg** of the United States District court for the District of New Jersey:

"[W]e sitting here don't always get to see such fine lawyering, and it's really wonderful for me both to have tough issues and smart lawyers ... I want to congratulate all of you for the really hard work you put into this, the way you presented the issues, ... On behalf of the entire federal judiciary I want to thank you for the kind of lawyering we wish everybody would do."

*In re Remeron Antitrust Litig.*, Civ. No. 02-2007 (Nov. 2, 2005).

From U.S. District **Judge Jan DuBois**, of the U.S. District Court of the Eastern District of Pennsylvania:

“[T]he size of the settlements in absolute terms and expressed as a percentage of total damages evidence a high level of skill by petitioners ... The Court has repeatedly stated that the lawyering in the case at every stage was superb, and does so again.”

*In Re Linerboard Antitrust Litig.*, 2004 WL 1221350, at \*5-\*6 (E.D. Pa. 2004).

---

From **Judge Nancy G. Edmunds**, of the U.S. District Court of the Eastern District of Michigan:

“[T]his represents an excellent settlement for the Class and reflects the outstanding effort on the part of highly experienced, skilled, and hard working Class Counsel....[T]heir efforts were not only successful, but were highly organized and efficient in addressing numerous complex issues raised in this litigation[.]”

*In re Cardizem CD Antitrust Litig.*, MDL No. 1278 (E.D. Mich., Nov. 26, 2002).

---

From **Judge Charles P. Kocoras** of the U.S. District Court for the Northern District of Illinois:

“The stakes were high here, with the result that most matters of consequence were contested. There were numerous trips to the courthouse, and the path to the trial court and the Court of Appeals frequently traveled. The efforts of counsel for the class has [sic] produced a substantial recovery, and it is represented that the cash settlement alone is the second largest in the history of class action litigation. . . . There is no question that the results achieved by class counsel were extraordinary[.]”

Regarding the work of Berger & Montague in achieving more than \$700 million in settlements with some of the defendants in *In Re Brand Name Prescription Drugs Antitrust Litigation*, 2000 U.S. Dist. LEXIS 1734, at \*3-\*6 (N.D. Ill. Feb. 9, 2000).

---

From **Judge Peter J. Messitte** of the U.S. District Court for the District of Maryland:

“The experience and ability of the attorneys I have mentioned earlier, in my view in reviewing the documents, which I have no reason to doubt, the plaintiffs’ counsel are at the top of the profession in this regard and certainly have used their expertise to craft an extremely favorable settlement for their clients, and to that extent they deserve to be rewarded.”

Settlement Approval Hearing, Oct. 28, 1994, in *Spawd, Inc. and General Generics v. Bolar Pharmaceutical Co., Inc.*, CA No. PJM-92-3624 (D. Md.).

---

From **Judge Donald W. Van Artsdalen** of the U.S. District Court for the Eastern District of Pennsylvania:

“As to the quality of the work performed, although that would normally be reflected in the not immodest hourly rates of all attorneys, for which one would expect to obtain excellent quality work at all times, the results of the settlements speak for themselves. Despite the extreme uncertainties of trial, plaintiffs’ counsel were able to negotiate a cash settlement of a not insubstantial sum, and in addition, by way of equitable relief, substantial concessions by the defendants which, subject to various condition, will afford the right, at least, to lessee-dealers to

obtain gasoline supply product from major oil companies and suppliers other than from their respective lessors. The additional benefits obtained for the classes by way of equitable relief would, in and of itself, justify some upward adjustment of the lodestar figure.”

*Bogosian v. Gulf Oil Corp.*, 621 F. Supp. 27, 31 (E.D. Pa. 1985).

---

From **Judge Krupansky**, who had been elevated to the Sixth Circuit Court of Appeals:

Finally, the court unhesitatingly concludes that the quality of the representation rendered by counsel was uniformly high. The attorneys involved in this litigation are extremely experienced and skilled in their prosecution of antitrust litigation and other complex actions. Their services have been rendered in an efficient and expeditious manner, but have nevertheless been productive of highly favorable result.

*In re Art Materials Antitrust Litigation*, 1984 CCH Trade Cases ¶65,815 (N.D. Ohio 1983).

From **Judge Joseph Blumenfeld** of the U.S. District Court for the District of Connecticut:

“The work of the Berger firm showed a high degree of efficiency and imagination, particularly in the maintenance and management of the national class actions.”

### **Securities Litigation**

From **Judge Jed Rakoff** of the U.S. District Court for the Southern District of New York:

Court stated that lead counsel had made “very full and well-crafted” and “excellent submissions”; that there was a “very fine job done by plaintiffs’ counsel in this case”; and that this was “surely a very good result under all the facts and circumstances.”

*In re Merrill Lynch & Co., Inc. Securities, Derivative & ERISA Litigation*, Master File No. 07-cv-9633(JSR)(DFE) (S.D.N.Y., July 27, 2009).

From **Judge Michael M. Baylson** of the U.S. District Court for the Eastern District of Pennsylvania:

“The Court is aware of and attests to the skill and efficiency of class counsel: they have been diligent in every respect, and their briefs and arguments before the Court were of the highest quality. The firm of Berger & Montague took the lead in the Court proceedings; its attorneys were well prepared, articulate and persuasive.”

From **Chancellor William Chandler, III** of the Delaware Chancery Court:

“All I can tell you, from someone who has only been doing this for roughly 22 years, is that I have yet to see a more fiercely and intensely litigated case than this case. Never in 22 years have I seen counsel going at it, hammer and tong, like they have gone at it in this case. And I think that’s a

testimony – Mr. Valihura correctly says that’s what they are supposed to do. I recognize that; that is their job, and they were doing it professionally.”

*Ginsburg v. Philadelphia Stock Exchange, Inc.*, No. 2202 (Del. Ch., Oct. 22, 2007).

From **Judge Stewart Dalzell** of the U.S. District Court for the Eastern District of Pennsylvania:

“Thanks to the nimble class counsel, this sum, which once included securities worth \$149.5 million is now all cash. Seizing on an opportunity Rite Aid presented, class counsel first renegotiated what had been stock consideration into Rite Aid Notes and then this year monetized those Notes. Thus, on February 11, 2003, Rite Aid redeemed those Notes from the class, which then received \$145,754,922.00. The class also received \$14,435,104 in interest on the Notes.”

“Co-lead counsel ... here were extraordinarily deft and efficient in handling this most complex matter... they were at least eighteen months ahead of the United States Department of Justice in ferreting out the conduct that ultimately resulted in the write down of over \$1.6 billion in previously reported Rite Aid earnings. In short, it would be hard to equal the skill class counsel demonstrated here.”

From **Judge Helen J. Frye**, United States District Judge for the U.S. District Court for the District of Oregon:

“In order to bring about this result [partial settlements then totaling \$54.25 million], Class Counsel were required to devote an unusual amount of time and effort over more than eight years of intense legal litigation which included a four-month long jury trial and full briefing and argument of an appeal before the Ninth Circuit Court of Appeals, and which produced one of the most voluminous case files in the history of this District.”

\* \* \*

“Throughout the course of their representation, the attorneys at Berger & Montague and Stoll, Stoll, Berne, Lokting & Shlachter who have worked on this case have exhibited an unusual degree of skill and diligence, and have had to contend with opposing counsel who also displayed unusual skill and diligence.”

From **Judge Marvin Katz** of the U.S. District Court for the Eastern District of Pennsylvania:

“[T]he co-lead attorneys have extensive experience in large class actions, experience that has enabled this case to proceed efficiently and professionally even under short deadlines and the pressure of handling thousands of documents in a large multi-district action... These counsel have also acted vigorously in their clients’ interests....”

\* \* \*

“The management of the case was also of extremely high quality.... [C]lass counsel is of high caliber and has extensive experience in similar class action litigation.... The submissions were of consistently high quality, and class counsel has been notably diligent in preparing filings in a timely manner even when under tight deadlines.”

Commenting on class counsel, where the firm served as both co-lead and liaison counsel in *In re Ikon Office Solutions, Inc. Securities Litigation*, 194 F.R.D. 166, 177, 195 (E.D. Pa. 2000).

---

From **Judge William K. Thomas**, Senior District Judge for the United States District Court for the Northern District of Ohio:

“In the proceedings it has presided over, this court has become directly familiar with the specialized, highly competent, and effective quality of the legal services performed by Merrill G. Davidoff, Esq. and Martin I. Twersky, Esq. of Berger & Montague....”

\* \* \*

“Examination of the experience-studded biographies of the attorneys primarily involved in this litigation and review of their pioneering prosecution of many class actions in antitrust, securities, toxic tort matters and some defense representation in antitrust and other litigation, this court has no difficulty in approving and adopting the hourly rates fixed by Judge Aldrich.”

Commenting in *In re Revco Securities Litigation*, Case No. 1:89CV0593, Order (N.D. Oh. September 14, 1993).

## Civil/Human Rights Cases

From **Deputy Treasury Secretary Stuart E. Eizenstat**:

“We must be frank. It was the American lawyers, through the lawsuits they brought in U.S. courts, who placed the long-forgotten wrongs by German companies during the Nazi era on the international agenda. It was their research and their work which highlighted these old injustices and forced us to confront them. Without question, we would not be here without them.... For this dedication and commitment to the victims, we should always be grateful to these lawyers.”

In his remarks at the July 17, 2000, signing ceremony for the international agreements which established the German Foundation to act as a funding vehicle for the payment of claims to Holocaust survivors.

## Insurance Litigation

From **Judge Janet C. Hall**, of the U.S. District Court of the District of Connecticut:

Noting the “very significant risk in pursuing this action” given its uniqueness in that “there was no prior investigation to rely on in establishing the facts or a legal basis for the case....[and] no other prior or even now similar case involving parties like these plaintiffs and a party like these defendants.” Further, “the quality of the representation provided to the plaintiffs ... in this case has been consistently excellent.... [T]he defendant[s] ... mounted throughout the course of the five years the case pended, an extremely vigorous defense.... [B]ut for counsel’s outstanding work in this case and substantial effort over five years, no member of the class would have recovered a penny.... [I]t was an extremely complex and substantial class ... case ... [with an] outstanding result.”

Regarding the work of Berger & Montague attorneys Peter R. Kahana and Steven L. Bloch, among other co-class counsel, in *Spencer, et al. v. The Hartford Financial Services Group, Inc., et al.*, in the Order approving the \$72.5 million final settlement of this action, dated September 21, 2010 (No. 3:05-cv-1681, D. Conn.).

### Customer/Broker Arbitrations

From **Robert E. Conner**, Public Arbitrator with the National Association of Securities Dealers, Inc.:

“[H]aving participated over the last 17 years in 400 arbitrations and trials in various settings, ... the professionalism and the detail and generally the civility of everyone involved has been not just a cause for commentary at the end of these proceedings but between ourselves [the arbitration panel] during the course of them, and ... the detail and the intellectual rigor that went into the documents was fully reflective of the effort that was made in general. I wanted to make that known to everyone and to express my particular respect and admiration.”

**Todd S. Collins – Managing Shareholder**

Todd S. Collins is a graduate of the University of Pennsylvania (B.A. 1973) and the University of Pennsylvania Law School (J.D. 1978), where he won the 1978 Henry C. Laughlin Prize for Legal Ethics. He is a member of the Pennsylvania and Delaware Bars. Since joining Berger & Montague in 1982, following litigation and corporate experience in Wilmington, Delaware and Philadelphia, he has concentrated on complex class litigation, including cases on behalf of securities purchasers, shareholders, trust beneficiaries, and retirement plan participants and beneficiaries.

Mr. Collins has served as lead counsel or co-lead counsel in numerous cases that have achieved significant benefits on behalf of the Class. These cases include: *In re AMF Bowling Securities Litigation* (S.D.N.Y.) (\$20 million recovery, principally against investment banks, where defendants asserted that Class suffered no damages); *In re Aero Systems, Inc. Securities Litigation* (S.D. Fla.) (settlement equal to 90 percent or more of Class members' estimated damages); *Price v. Wilmington Trust Co.* (Del. Ch.) (in litigation against bank trustee for breach of fiduciary duty, settlement equal to 70% of the losses of the Class of trust beneficiaries); *In re Telematics International, Inc. Securities Litigation* (S.D. Fla.) (settlements achieved, after extensive litigation, following 11th Circuit reversal of dismissal below); *In re Ex-Cell-O Securities Litigation* (E.D. Mich.); *In re Sequoia Systems, Inc.* (D. Mass.); *In re Sapiens International, Inc. Securities Litigation* (S.D.N.Y.); *In re Datastream Securities Litigation* (D.S.C.); *Copland v. Tolson* (Pa. Common Pleas) (on eve of trial, in case against corporate principals for breach of

fiduciary duty, settlement reached that represented 65% or more of claimants' losses, with settlement funded entirely from individual defendants' personal funds); and *In re IKON Office Solutions, Inc. Securities Litigation* (E.D. Pa.). In IKON, where Mr. Collins was co-lead counsel as well as chief spokesman for plaintiffs and the Class before the Court, plaintiffs' counsel created a fund of \$111 million for the benefit of the Class.

In addition, Mr. Collins has served as lead or co-lead counsel in several of the leading cases asserting the ERISA rights of 401(k) plan participants. Mr. Collins has served as co-lead counsel in *In re Lucent Technologies, Inc. ERISA Litigation* (D.N.J.); *In re Nortel Networks Corp. ERISA Litigation* (M.D. Tenn.); *In re SPX Corporation ERISA Litigation* (W.D. N.C.); and *King v. Wal-Mart Stores, Inc.* (D. Nev.). In *Lucent*, Mr. Collins and his team achieved a settlement consisting of \$69 million for the benefit of plan participants, as well as substantial injunctive relief with respect to the operation of the 401(k) plans.

Mr. Collins is at the forefront of litigation designed to achieve meaningful corporate governance reform. Recently, he brought to a successful conclusion two landmark cases in which corporate therapeutics are at the core of the relief obtained. In *Oorbeek v. FPL Group, Inc.* (S.D. Fla.), a corporate derivative action brought on behalf of the shareholders of FPL Group, plaintiffs challenged excessive "change of control" payments made to top executives. In settlement, plaintiffs recovered not only a substantial cash amount, but also a range of improvements in FPL's corporate governance structure intended to promote the independence of the outsider directors.

Similarly, in *Ashworth Securities Litigation* (S.D. Cal.), a Section 10(b) fraud case, in which Mr. Collins was co-lead counsel, plaintiffs again have been successful in recovering millions of dollars and also securing important governance changes. In this case, the changes focused on strengthening the accounting function and improving revenue recognition practices.

In corporate acquisition cases, Mr. Collins has served as co-lead counsel in cases such as *In re Portec Rail Products, Inc. Shareholders Litig.* (C.P. ### **Lawrence J. Lederer - Shareholder**

Lawrence J. Lederer is a shareholder in the firm’s Securities and Commercial Litigation practice groups. He has extensive experience representing and advising institutional investors in securities litigation. He has led the prosecution of many securities class action cases that have resulted in substantial recoveries for investors.

For example, he was co-lead counsel for the State Teachers Retirement System of Ohio which, in August 2009, obtained \$475 million in *In re Merrill Lynch & Co., Inc. Securities, Derivative and ERISA Litigation*, Master File No. 07-cv-9633 (JSR) (DFE) (S.D.N.Y.). This securities class action involved Merrill Lynch’s financial exposures to collateralized debt obligations and other financial instruments linked to subprime mortgages. It represents one of the largest recoveries ever under the Private Securities Litigation Reform Act. During a hearing on July 27, 2009, Judge Jed S. Rakoff stated that lead plaintiff had made “very full and well-crafted” and “excellent submissions”; that there was a “very fine job done by plaintiffs’ counsel in this case”; and that the attorney fees requested were “eminently reasonable” and “appropriately modest.”

Mr. Lederer presently is or recently was also involved in many individual, “opt out” securities cases such as *Commonwealth of Pennsylvania Public School Employees’ Ret. Sys. v. Citigroup, Inc.*, No. 11-2583, 2011 U.S. Dist. LEXIS 55829 (E.D. Pa. May 20, 2011); *State of New Jersey, Department of Treasury, Division of Investment v. Fuld*, 604 F.3d 816 (3d Cir. 2010); *Commonwealth of Pennsylvania Public School Employees’ Ret. Sys. v. Time Warner Inc.*, Case No. 002103, July Term 2003 (Pa. Common Pleas Ct., Phila. Cty.); *In re Waste Management, Inc. Securities Litigation*, 194 F. Supp. 2d 590 (S.D. Tex. 2002); and *Kelly v. McKesson HBOC, Inc.*, C.A. No. 99C-09-265 WCC, 2002 Del. Super. LEXIS 39 (Del. Super. Jan. 17, 2002). The investor plaintiffs in each of these cases obtained recoveries significantly larger than what they would have obtained from the related class actions.

Mr. Lederer also advises and represents government entities in commercial and other matters. For example, he was part of a team of outside counsel for one state Attorney General’s office in multi-state civil enforcement proceedings that resulted in landmark mortgage modifications and related relief for hundreds of thousands of borrowers nationwide against Countrywide Financial Corp. (and its parent, Bank of America Corp.) in December 2008 valued at approximately \$8.6 billion; has advised public pension funds on a wide array of corporate governance and shareholder rights issues; and has advised state government entities concerning financial practices in the structured finance sector, among other areas.

Earlier in his career, Mr. Lederer played a major role in the historic Drexel/Milken/Boesky complex of cases. *See, e.g., In re Michael R. Milken and Associates Securities Litigation*, MDL Dkt. No. 924, Master File No. M21-62 (MP), 1993 U.S. Dist. LEXIS 14242, 1993 WL 413673 (S.D.N.Y. Oct. 7, 1993) (approving approximately \$1.3 billion overall settlement with Michael R. Milken and some 500 other persons and entities); *In re Drexel Burnham Lambert Group Inc.*, 995 F.2d 1138 (2d Cir. 1993) (affirming \$1.3 billion settlement); *Presidential Life Insurance Co. v. Milken, et al.*, 946 F. Supp. 267 (S.D.N.Y. 1996) (approving \$50 million settlement against some 500 defendants); *In re Ivan F. Boesky Securities Litigation*, 948 F.2d 1358 (2d Cir. 1991) (affirming approval of settlements totaling approximately \$29 million; subsequent class, derivative and other settlements approved totaling in excess of \$200 million).

Also experienced on the defense side, Mr. Lederer helped obtain a pre-trial dismissal of a securities class action against DRDGold, a gold mining company based in South Africa. *See In re DRDGold Ltd. Securities Litigation*, 05-cv-5542 (VM), 2007 U.S. Dist. LEXIS 7180 (S.D.N.Y. Jan. 31, 2007). He also helped defend an individual charged with “insider trading” in a criminal jury trial in federal court, and in parallel civil enforcement proceedings brought by the SEC. *United States v. Pileggi*, No. 97-cr-612-2, 1998 U.S. Dist. LEXIS 8068 (E.D. Pa. June 3, 1998), *aff’d*, No. 98-1811, 1999 U.S. App. LEXIS 18592 (3d Cir. July 22, 1999).

In bankruptcy litigation, Mr. Lederer helped obtain hundreds of millions of dollars for investors in the complex Chapter 11 proceedings involving Drexel Burnham Lambert, including through appeals before the United States Court of Appeals for the Second Circuit and the United States Supreme Court. *See, e.g., In re The Drexel Burnham Lambert Group, Inc.*, 130 B.R. 910 (Bankr. & S.D.N.Y. Aug. 20, 1991), *aff’d*, 960 F.2d 285 (2d Cir. 1992), *cert. denied*, 506 U.S. 1088 (1993). *See also Sapir, et al. v. Delphi Ventures, et al.*, No. 99-cv-8086-JORDAN (S.D. Fla.) (recovery of \$3.8 million following extensive bankruptcy and related proceedings).

Mr. Lederer has achieved the highest peer-review rating, “AV,” in Martindale-Hubbell for legal abilities and ethical standards; has repeatedly been selected as one of the Pennsylvania’s “Super Lawyers” in the

category of securities litigation; and has served on the editorial advisory board of Securities Law<sup>360</sup>. Mr. Lederer is admitted to practice law in Pennsylvania, the District of Columbia, and several federal courts. Mr. Lederer graduated from Georgetown University Law Center (LL.M. 1988), Western New England College School of Law (J.D. 1987), where he was a member of Western New England Law Review, and the University of Pittsburgh (B.A. 1984), where he was managing editor of The Pitt News, and co-captain (1983) and captain (1984) of the men's varsity tennis team.

From 2003 through early 2010, Mr. Miller also served as the Director of the Medicaid Fraud Control Unit in the Delaware Department of Justice. In that capacity, he often served as team leader in coordinating the investigation and prosecution of health care provider fraud - including cases involving physician groups, pharmaceutical companies, nursing homes, and hospitals - with local, state, and federal authorities. These multi-disciplinary teams of government lawyers, investigators, and data analysts returned hundreds of millions of dollars to state and federal governments.

Prior to serving as Director of the Medicaid Fraud Unit, Mr. Miller was a Deputy Attorney General in the Criminal Division of the Delaware Department of Justice. During that time he managed a large caseload and prosecuted hundreds of violent offenders, including rapists, armed carjackers, and capital murderers.
